Breath

By J. Daniel Beandry

Tree, gather up my thoughts

like the clouds in your branches.

Draw up my soul

like the waters in your root.

In the arteries of your trunk

bring me together.

Through your leaves

breathe out the sky.

"May your trails be crooked, winding, lonesome, dangerous, leading to the most amazing view. May your mountains rise into and above the clouds."

- Edward Abbey

"It is not so much for its beauty that the forest makes a claim upon men's hearts, as for that subtle something, that quality of air that emanates from old trees, that so wonderfully changes and renews a weary spirit."

- Robert Louis Stevenson

Class of 2009

Thanks for the memories . . .

This yearbook was the most challenging to complete of all the yearbooks I have assisted with in my 14 years at Pikeville College. It would not be printed without the great assistance of Jim Workman, Lucy Holman, Jeff Brent, Brigitte LaPresto, Jessica Casey, Paige Johnson, Nikki Meade, Rachel Hunt, and Lauren Stoffel. I had wonderful participation from a large yearbook class, and after a long wait and much patience, the book was completed thanks to our new association with Walsworth yearbooks. I cannot thank my daughter, Amanda Mae, enough for her continued patience and support in attending all events Pikeville College in order to document them for the college yearbook. She is the best! While this book is somewhat different than past year's, I hope that it still provides treasured memories to all in the years to come. A yearbook is the permanent record of the college, and I think it is such a valuable endeavor. I am honored to be a part of creating it for Pikeville College.

God Bless,
Chandra Massner, advisor
